**2nd Oil, Gas & Power Cambodia 2022**

July 27 - 28 2022, Phnom Penh - The 2nd Oil, Gas, and Power Cambodia is the key industrial event in Cambodia and the only international oil and gas event co-hosted by the Ministry of Mines and Energy, which will be held from July 27 - 28 2022 at

Sokha Hotel, Phnom Penh. This key industrial event of Cambodia is attended by all major industrial stakeholders in the oil and gas industry in Cambodia.

PetroVietnam Oil (Cambodia) PLC and Baron Point Group LLC principals have been called on to speak in several featured podium speeches and panel discussions given their deep knowledge and expertise in the Central Corridor Southeast Asian region, and in Cambodia.

Oil, Gas and Power Cambodia is also the most important oil and gas exhibition in Cambodia. With all the major stakeholders in the industry attending the event, this is an annual opportunity for global suppliers of equipment and services in the oil and gas industry to showcase their product to both existing and new potential buyers. The exhibition also includes a business matching segment where potential buyers and sellers are matched to create business synergy.

Taking on the theme of 'Building a Resilient Energy Mix for Cambodia' this year's event will focus on the current opportunities and challenges in Cambodia as they build up their oil and gas capacity and infrastructure to meet the huge demand for energy coming from industrialization of the country.
